Undergraduate  
Research  
Expo**

Thanks to a generous donation by Dr. Charles Boltuck, an alumnus of the Psychology Department, we will be hosting our 7<sup>th</sup> Annual **Psychology Undergraduate Research Expo.**

**WHEN? April 13, 2018  
1:00-4:30pm**

**WHERE? Loyola Campus  
RF - Jesuit Conf Center**

The completion of a thesis project is your crowning achievement as an undergraduate student and we want to help you celebrate it.

We are providing you with an opportunity to showcase the fruits of your labour to your colleagues, family and friends.

**PURE...*inspiration***

The Psychology Department is inviting you and two of your guests to this exciting event.

The Expo will be comprised of posters and oral presentations and all thesis students are encouraged to submit an abstract based on their current thesis work.

**POSTERS**

The poster submission is not competitive; all good quality posters will be accepted.

**ORAL PRESENTATIONS**

A jury will select four presenters from the pool of abstracts submitted.

When submitting your abstract, you will have the opportunity to indicate whether you wish to be considered for an oral presentation instead of a poster.

If not selected for an oral presentation, you will still be able to present a poster.

**PURE...*imagination***

**WHY PARTICIPATE?**

Being able to present your work in a succinct manner is an important skill to develop.

This Expo is a great opportunity for you to gain valuable presentation experience in a relaxed atmosphere plus build your academic CV.

All participants will receive a certificate of attendance.

The Expo will be cocktail format; finger food and light refreshments will be served.

Large boards for affixing posters will be provided.

You will need to provide your own material (e.g., push pins) for affixing the posters to the boards.

When producing your poster, pay special attention to:

- ✧ Content

Be prepared to engage Expo guests and respond to questions about your research.
